MEMORANDUM FOR: Deputy Director (Plans)

THROUGH: Acting Chief, Development
Projects Division, DDP

SUBJECT: Proposed Recoverage of Cuba

1. This memorandum requests your approval.
2. The Committee on Overhead Reconnaissance this morning considered the attached request of ONI (on behalf of CINCLANT) for recoverage of Cuba.
3. The COMOR recommends that recoverage to meet these requirements be accomplished as soon as feasible and in any event on 25 July or 26 July if at all possible.

(N.B. I reported to General Cabell, in pursuance of an earlier request should a recommendation of this sort emerge from COMOR, that I had specifically checked to see whether the superiors of the members of COMOR who are members of the United States Intelligence Board concurred in this recommendation. The answer was in the affirmative. General Cabell requested me to inform Colonel Beerli and Mr. Bissell that in view of the recoverage on a specific date, which in this case is the occasion of a celebration, it would be wise to raise the question with the Director whether a return to the Special Group for concurrence was necessary.)
